Alabama Parent Education Center

PTI Advisory Committee

The contents of this presentation were developed in part under a grant from the US Department of Education, #H328M150012. However, those contents do not necessarily represent the policy of the US Department of Education, and you should not assume endorsement by the Federal Government.

Mission

The Alabama Parent Education Center believes that parents have the greatest impact on their children's lives. The Alabama Parent Education Center provides training, information and support to help all parents, including low income, minority, and parents of exceptional children, ensure that their children become productive citizens.

Alabama Parent Training and Information Center

- o AL PTI is a project of the APEC
- o AL PTI is funded under a grant from the US Department of Education and this presentation was developed in part under a grant from the US Department of Education, #H328M15002.

Alabama PTI's Purpose

- o To increase the capacity of *parents* of infants, toddlers, and children and youth with disabilities with training and information to enable them to effectively participate in improving results for their children with disabilities.
- o To increase the capacity of *educators* to improve results for children educationally, and developmentally
- o To increase the capacity of *service professionals* to effectively serve and support families and youth with disabilities.
- o To increase the capacity of *youth and young adults* with disabilities to be effective self advocates.
