- 1- Balloon
- 2- Newspaper
- 3- Scissors
- 4- Flour
- 5- Water
- 6- Pipe cleaners or wire
- 7- Bowl
- 8- Measuring cup
- 9- Fork (for mixing flour and water together)
- 10- Candy

## Directions:

(This is a 2-day project)

Cut Newspaper into strips. Blow up balloon. Tie balloon. Mix flour and Water in bowl. The mixture needs to be about like pancake mix; you want it to be sticky but still drip off the fork (est. 1 cup water and 1 cup flour). Take a strip of newspaper and soak it in the mix. Then place it on the balloon. Continue to do this until the balloon is completely covered. Best to do a second layer or paper. Put balloon in area to dry (outside works great). Let balloon dry overnight. Once the pinata is completely dry, poke a hole by the tail of the balloon. Let all air out. Take pipe cleaner/wire and poke hole in bottom of balloon. Run pipe cleaner/wire all the way out the top. Twist a knot at the end of the wire. Fill pinata with candy. String to a post or tree and have fun!
