

MAKING PAPER BAG PUPPETS

This classic craft has been around for years. It's one that has stood the test of time, even if it has changed or evolved over time. Paper bag puppets are easy to make and really fun for kids to play with. Whether it's just markers you create your puppets with or you decorate with yarn, paper and buttons, they're a great project any time.

Paper bag puppets are perfect for pretend play. Kids can play by themselves, with a friend or sibling or even with a group of friends.

YOU WILL NEED:

- Paper lunch bag
- Markers
- Construction paper and/or scrapbook paper
- Googly eyes
- Yarn
- Ribbon
- Tools: glue stick (or tape), and scissors
